

Residue and Micro Testing - 2007

Dear Grower

Rudge Produce Systems is continuing to provide a chemical residue and micro testing service in the Melbourne Markets in 2007.

We offer competitive pricing and faster reporting time (10 working days).

Code	Description	Fee (GST incl)
C3	Standard residue test	\$188
C4	Dithiocarbamate fungicides	\$154
C5	Expanded screen	\$154
C6	C3, C4 and C5	\$385
CAD	Cadmium	\$70
M1	E coli	\$60
M2	E coli, Listeria	\$90
M3	E coli, Listeria, Salmonella	\$130
M4	Woolworths micro test E coli, Listeria, Salmonella, Staph and coliforms	\$188
W1	Water test for E coli and coliforms	\$74

We will be collecting samples from the Melbourne Markets every Wednesday, so please fax the attached request form to (03) 9689 1232 the day before.

We require at least 1Kg of produce for each test requested.

If you need results sooner than the normal 10 working days, there is a 50% surcharge.

For more information call Rudge Produce Systems on 03 9689 1234.
