W8	Dimethoate test for Water	\$80.00

We will be collecting samples from the Melbourne Markets every day, so please fax the attached request form to (03) 9689 1232 the day before you need sample collected.

We require at least 1Kg of produce for each test requested.

If you need results sooner than the normal 10 working days, there is a 50% surcharge.

For more information call Rudge Produce Systems on 03 9689 1234.
